The personal information that you are being asked to provide is collected under the authority of section 33(c), and managed in accordance with the *Freedom of Information and Protection of Privacy Act*. The information will be used for the purpose of processing your request for a hearing with the Appeals Commission for Alberta Workers' Compensation. One of the most important aspects of the Appeals Commission's process is that every party to the appeal knows the case that is to be heard and has an opportunity to respond. This means that documents related to the appeal will be shared with all other parties to the appeal, including the Workers' Compensation Board. The information collected may also be used for quality assurance purposes.
